10th International Conference on

GPCE

Generative Programming and Component Engineering

2011

Empirical Studies

Component
Engineering

Portland, Oregon, USA (collocated with SPLASH 2011)

Industrial Applications

Abstract Submission:	**May 16, 2011**
Paper Submission:	**May 22, 2011**
Notification:	**July 6, 2011**
Tech Talk Submission:	**August 7, 2011**
Conference:	**October 22 - 23, 2011**

General Chair:
Ewen Denney, SGT/NASA Ames
Program Chair:
**Ulrik Pagh Schultz, University
of Southern Denmark**
Publicity Chair:
**Chang Hwan Peter Kim,
University of Texas at Austin**

Generative Programming

Separation of Concerns

Model-driven Development

Domain-specific Languages
